### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Dinesh Agarwal on June 29, 2005.

The application has been amended as follows:

**In the specification, paragraph 10, line 3:**

The word "control" has been changed to --- piston ---.

**In claim 1, last line:**

The punctuation mark "." has been changed to --- ; ---.

**In claim 1, last line:**

After the word "frame", the following paragraphs have been added

---- said generally annular tubular frame comprising two hollow arcuate tube sections fixedly mounted in circular orientation at opposite sides of said base structure; and  
said hydraulic means for rotating the slider tube comprising a hydraulic piston engaging said slider tube and operatively mounted to said base structure ----.

**Claims 2 and 3 have been cancelled.**

**In claim 4, line 21:**

The word "valve" has been changed to --- piston ---.

***Reason for Allowance***

Regarding claims 1 and 4, the claims are allowable because the art of record, considered alone or in combination, neither anticipates nor renders obvious a tree limp apparatus having *a hydraulic piston engaging the slide tube and operatively mounted to a base structure*, in combination with the rest of the claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jimmy T. Nguyen whose telephone number is (571) 272-4520. The examiner can normally be reached on Mon-Thur 8:00am - 6:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Derris Banks can be reached on (571) 272- 4419. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
